RECITALS

- A. There have been a number of actions commenced in Canada against various Volkswagen, Audi, Porsche and Bosch entities seeking damages and other relief on behalf of consumers with Affected Vehicles. In the Canadian Emissions Actions, it is generally alleged that the Affected Vehicles were equipped with a Defeat Device.
- B. In the Action, which is one of the Canadian Emissions Actions, it is alleged Bosch designed, manufactured, developed, tailored, reviewed, approved and supplied elements of the Defeat Device, and is liable to the Plaintiffs and the class they seek to represent in respect of the Emissions Claims (as defined below).
- C. Bosch denies all of the allegations, and believes it has good and reasonable defences in respect of all the Emissions Claims.
- D. The Canadian Emissions Actions have been the subject of two national class action settlements, namely the 2L Settlement and the 3L Settlement (as defined below). A number of different benefits were made available to the 2&3L Settlement Class Members.
- E. Ricepoint (as defined below) was appointed by the Court to act as the administrator of the 2L Settlement and 3L Settlement.
- F. Some persons who owned or leased an Affected Vehicle were excluded from participating in the 2L Settlement or in the 3L Settlement (namely, the 2&3L Excluded Claimants).
- H. On July 16, 2018, and by consent, the Action was certified as a class proceeding pursuant to the *Class Proceedings Act, 1992*.

I. On November 7, 2018, the Court made an Order appointing Ricepoint as administrator for the purposes of disseminating the notice of certification of the Action, and allowing Ricepoint to use, for that purpose, the 2&3L Email Database that Ricepoint used in administering the 2L Settlement and the 3L Settlement. However, to date notice of certification has not yet been given to the certified class.

J. The Parties have reached an agreement on terms and conditions for the resolution of the Emissions Claims advanced against Bosch for the Affected Vehicles in the Action, as set forth in this Settlement Agreement, and subject to the approval of the Court.

K. As part of this resolution, Bosch has agreed to pay the Settlement Amount for the benefit of the Bosch Settlement Class.

L. This Settlement Agreement expressly excludes the claims advanced by Equiterre on its own behalf and on behalf of a proposed class in the Quebec Bosch Action.

M. The Plaintiffs and Class Counsel have reviewed and fully understand the terms of this Settlement Agreement and, based on their analyses of the facts and law applicable to the Plaintiffs' claim, and taking into account the value of the Settlement Amount and the compensation previously made available to Bosch Settlement Class Members pursuant to the 2L Settlement and the 3L Settlement, the burdens, risk and expense associated with prosecuting the Action, have concluded that this Settlement Agreement is fair, reasonable and in the best interests of the Plaintiffs and the Bosch Settlement Class they represent.

NOW THEREFORE in consideration of the covenants, agreements and releases set forth herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby

acknowledged, it is agreed by the Parties that the Action be settled and dismissed with prejudice and without costs, subject to the approval of the Court, on the following terms and conditions:

Bosch Settlement Class Members shall not now or hereafter institute, maintain, prosecute, assert, and/or cooperate in the institution, commencement, filing, or prosecution of any suit, action, and/or other proceeding, whether in Canada or elsewhere, against the Bosch Released Parties with respect to the claims, causes of action, and/or any other matters subject to the Settlement Class Release. To the extent that they have initiated, or caused to be initiated, any suit, action, or proceeding not

already encompassed by the Action, whether in Canada or elsewhere, Bosch Settlement Class Members shall cause such suit, action, or proceeding to come to an end, with prejudice where available, consistent with Section 15.1. If a Bosch Settlement Class Member commences, files, initiates, or institutes any new legal action or other proceeding for any Released Claim against any Bosch Released Party in any federal, state, provincial, or territorial court, arbitral tribunal, or administrative or other forum, whether in Canada or elsewhere, (a) such legal action or other proceeding shall, at that Bosch Settlement Class Member's cost, be brought to an end, with prejudice where available, consistent with Section 15.1; and (b) if permitted by law, the respective Bosch Released Party shall be entitled to recover any and all reasonable related costs and expenses from that Bosch Settlement Class Member arising as a result of that Bosch Settlement Class Member's breach of his, her or its obligations under this Settlement Class Release. Notwithstanding the foregoing, this Section does not apply to preclude the continuation of any suit, action, or proceeding, whether in Canada or elsewhere, as to any claim that is not a Released Claim, including the Quebec Bosch Action and the claims by class members (or putative class members) in the Mackinnon Action as against the Mackinnon Defendants.

7.4 Total Satisfaction of Released Claims. Any benefits available to Bosch Settlement Class Members pursuant to this Settlement Agreement are (a) in full, complete, and total satisfaction of all of the Released Claims against the Bosch Released Parties, and (b) sufficient and adequate consideration for each and every term of the Settlement Class Release. The Settlement Class Release shall be irrevocably binding upon the Plaintiffs and all Bosch Settlement Class Members.

- 7.5 **Release Not Conditioned on Claim or Payment.** The Settlement Class Release shall be effective with respect to all Releasing Parties, including all Bosch Settlement Class Members, regardless of whether those Bosch Settlement Class Members are eligible to file a Claim, ultimately file a Claim or receive compensation pursuant to the Distribution Protocol.
- 7.6 **Basis for Entering Release.** Class Counsel acknowledge that they have conducted sufficient independent investigation and discovery to recommend the approval of this Settlement Agreement to the Courts and that they execute this Settlement Agreement freely, voluntarily, and without being pressured or influenced by, or relying on any statements, representations, promises, or inducements made by the Bosch Released Parties or any person or entity representing the Bosch Released Parties, other than as set forth in this Settlement Agreement. The Plaintiffs agree and specifically represent and warrant that they have discussed with Class Counsel the terms of this Settlement Agreement and have received legal advice with respect to the advisability of entering into this Settlement Agreement and the Settlement Class Release, and the legal effect of this Settlement Agreement and the Settlement Class Release. The representations and warranties made throughout this Settlement Agreement shall survive the execution of this Settlement Agreement and shall be binding upon the respective heirs, representatives, successors, and assigns of the Plaintiffs and Class Counsel, as applicable.
- 7.7 **Material Term.** The Plaintiffs and Class Counsel hereby agree and acknowledge that this Section 7 constitutes a key, material term of this Settlement Agreement that shall be reflected in the Approval Order. The failure the Court to approve this Settlement

Agreement, the Settlement Class Release, and the dismissals and other terminations of proceedings involving Released Claims contemplated in Sections 7.3 and 15.1, or if a Court approves any of them in a materially modified form from that contemplated herein, shall give rise to a right of termination by Bosch or the Plaintiffs, through Class Counsel, pursuant to Section 14.2.

7.8 **No Admission of Liability.** The Plaintiffs, Class Counsel, the Bosch Settlement Class, and the Releasing Parties agree, whether or not this Settlement Agreement is approved, terminated, or otherwise fails to take effect for any reason, that this Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions, and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement, shall not be deemed, construed, or interpreted to be an admission by any of the Bosch Released Parties, or as any evidence in any proceeding, of any violation of any statute or law, or of any wrongdoing, fault, omission, or liability by any of the Bosch Released Parties, or of the truth or validity of any of the claims or allegations contained in the Action or any other pleading filed against Bosch by, or on behalf of, the Plaintiffs, Related Action Plaintiffs, Bosch Settlement Class, or any class that may be certified or authorized in the Canadian Emissions Actions.

7.9 **Settlement Agreement Not Evidence.** The Plaintiffs, Class Counsel, the Bosch Settlement Class and the Bosch Releasing Parties agree that, whether or not it is terminated, this Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions, and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement, shall not be

referred to, offered as evidence, or received in evidence in any present, pending or future civil, criminal, or administrative action or proceeding, except in a proceeding to approve, implement, and/or enforce this Settlement Agreement, or as otherwise required by law or as provided in this Settlement Agreement.

7.10 **Release of VW Parties by Bosch.** Upon the Effective Date, Bosch releases the “Released Parties” (as defined in the 2L Settlement Agreement and the 3L Settlement Agreement) from any claim for indemnification or contribution arising from claims as released in Section 7.1, above, or relating in any other way to the Canadian Emissions Actions, save and except for the claims advanced in the Quebec Bosch Action.

8. CLAIMS ADMINISTRATION

8.1 **Distribution Protocol.** The Distribution Protocol shall set out the details of the Claims Program to be implemented to give effect to the terms of this Settlement Agreement.

8.2 **Beginning of the Claims Program.** The Claims Program will begin at the Approval Notice Date.

8.3 **Role of Claims Administrator.** The Claims Administrator will be responsible for the implementation and administration of the Notice Program and Claims Program, including but not limited to (a) advising Class Counsel on notice and claims issues, including the design of the Distribution Protocol; (b) ensuring that each of the Pre-Approval Notice and Approval Notice are disseminated in accordance with the Notice Program; (c) receiving, collecting and reporting to Class Counsel and Counsel for Bosch any requests to Opt-Out; (d) receiving, collecting and reporting to Class Counsel and Counsel for Bosch any objections or comments to the Settlement Agreement; (e)

- 8.4 **Limited Bosch Role.** Bosch shall have no obligation whatsoever in respect of the development or implementation of the Claims Program or the Distribution Protocol.
- 8.5 **Reports.** The Claims Administrator will prepare periodic reports on the progress and status of the Claims Program that will be provided to Class Counsel from time to time or upon request. These reports will include information sufficient to allow Class Counsel to assess the Claims Program's progress. When the Claims Program is concluded, the Claims Administrator must provide a final report to the Court, Class Counsel and Bosch. Such final report shall include information concerning any unused portion of the Settlement Amount and cheques for payment of Claims that remain uncashed.
- 8.6 **Personal Information.** Any personal information of Bosch Settlement Class Members or persons who believe they are Bosch Settlement Class Members acquired as the result of this Settlement Agreement shall be used solely for purposes of evaluating and paying Claims and other direct benefits pursuant to the Distribution Protocol. All information

relating to the Claims Program and processing is confidential and proprietary and shall not be disclosed, except as necessary to the Claims Administrator, Bosch, Class Counsel, and the Court in accordance with the terms of this Settlement Agreement or the Distribution Protocol, and as required by legal process or to comply with obligations to regulators in Canada. The Claims Administrator shall take security measures to prevent unauthorized access to personal information it obtains under this Settlement Agreement, as well as to prevent the loss, destruction, falsification, and leakage of such personal information.

9. COOPERATION TO IMPLEMENT THE SETTLEMENT

- 9.1 **Good faith.** The Parties and their respective counsel will cooperate with each other, act in good faith, and use commercially reasonable efforts to give effect to the terms of this Settlement Agreement as soon as reasonably practicable after the Execution Date.
- 9.2 The Parties and their successors, assigns, and counsel undertake to implement the terms of this Settlement Agreement in good faith, and to use good faith in resolving any disputes that may arise in the implementation of the terms of this Settlement Agreement.
- 9.3 **Extensions.** The Parties reserve the right, subject to the Court's approval, to agree to any reasonable extensions of time that might be necessary to carry out any of the provisions of this Settlement Agreement.
- 9.4 **Dispute Resolution.** In the event that the Parties are unable to reach agreement on the form or content of any document needed to implement this Settlement Agreement, or on any supplemental provisions that may become necessary to implement the terms of this

Settlement Agreement, Bosch and Class Counsel may seek the assistance of the Courts to resolve such matters.

10. NOTICE OF THIS SETTLEMENT AGREEMENT

10.1 **Reasonable Notice.** Bosch and Class Counsel agree that reasonable notice consistent with due process requirements shall be given to the Bosch Settlement Class, in a form and in a manner as agreed by the Plaintiffs and Bosch, and as approved by the Court.

10.2 **Notice Costs.** All of the costs of the Settlement Class Notices (such as the costs of printing, mailing, and postage) shall be paid from the Settlement Amount.

11. SETTLEMENT CLASS MEMBERS' RIGHTS TO OPT OUT AND OBJECT

11.2 **Elections to Opt-Out and Objections -** Elections to opt out of the Bosch Settlement Class and objections to this Settlement Agreement must be received by the Claims Administrator by mail or courier on or before the Opt-Out / Objection Deadline.

- a) The potential Bosch Settlement Class Member's name, mailing address, telephone number, and e-mail address (if available), and if applicable, any person acting on behalf of the Bosch Settlement Class Member

- b) The brand, model, model year, and VIN of the proposed Eligible Vehicle, and the period of time in which it was owned or leased by the Bosch Settlement Class Member;
- c) A statement that the potential Bosch Settlement Class Member elects to be excluded from the Bosch Settlement Class, or a brief statement of the nature of and reason for the objection to this Settlement Agreement, as applicable;

- e) If objecting to this Settlement Agreement, whether the potential Bosch Settlement Class Member intends to appear in person or by counsel at the Settlement Approval Hearing, and if appearing by counsel, the name, address, telephone number, and e-mail address of counsel.

11.4 Notwithstanding Section 11.3, if the potential Bosch Settlement Class Member is deceased, a minor, or otherwise incapable of making their own election to opt out or their own written objection to this Settlement Agreement, the information required by Section 11.3 must be provided along with the contact information of the person acting on behalf of the potential Bosch Settlement Class Member, together with a copy of the power of attorney, court order, or other authorization serving as the proposed basis for permitting such person to represent the potential Bosch Settlement Class Member.

11.5 Potential Bosch Settlement Class Members who elect to opt out of the Bosch Settlement Class may re-elect in writing to become potential Bosch Settlement Class Members, if

their re-election request is received by the Claims Administrator on or before the Opt-Out / Objection Deadline or, thereafter, only by order of the Court.

11.6 Any potential Settlement Class Member who elects to opt out of the Bosch Settlement Class may not also object to this Settlement Agreement, subject to Section 11.5. If a potential Bosch Settlement Class Member elects to opt out of the Bosch Settlement Class and objects to this Settlement Agreement, the opt out election shall supersede the objection and the objection shall be deemed withdrawn.

11.7 **Consequences of Failure to Opt Out in a Timely and Proper Manner.** All potential Bosch Settlement Class Members who do not opt out in a timely and proper manner will, in all respects, be bound as of the Effective Date by all terms of this Settlement Agreement, as approved by the Approval Order.

11.8 The Claims Administrator will provide copies of all opt-out elections and objections to Class Counsel and Bosch within three (3) days after their receipt. Wherever reasonably possible, such copies shall be provided in electronic form and in the most cost-effective manner.

11.9 The Claims Administrator shall, seven (7) days before the Settlement Approval Hearing, provide to Bosch and Class Counsel and file with the Court an affidavit reporting on the number of opt-out elections and re-elections received on or before the Opt-Out / Objection Deadline, and compiling all of the written objections received on or before the Opt-Out / Objection Deadline.

12. CLASS COUNSEL FEES AND NOTICE EXPENSES

- 12.1 **Notice Expenses.** The Notice Expenses will be paid from the Settlement Amount.
- 12.2 **Class Counsel Fees.** Class Counsel may seek the Court's approval to pay Class Counsel's Fees contemporaneously with seeking approval of this Settlement Agreement, or at such other time thereafter as they shall determine in their sole discretion. Bosch will not oppose such motions.
- 12.3 **Honorarium.** Class Counsel may request the Court to confer on the Plaintiffs a reasonable honorarium in a total amount not to exceed \$20,000.00 in total for all Plaintiffs to be paid from the Settlement Amount.
- 12.4 It is a fundamental term of this Settlement Agreement that the Parties must agree on the form and content of the Pre-Approval Order and Settlement Approval Order.
- 12.5 This Settlement Agreement shall be null and void and of no force and effect unless the Pre-Approval Order and Settlement Approval Orders are granted in the Action in substantially the same form as set out in **Schedules B and C**, respectively, or as otherwise agreed by the parties, and, further, that the Effective Date occurs.

13. MODIFICATION OF THIS SETTLEMENT AGREEMENT

- 13.1 The terms and provisions of this Settlement Agreement may be amended, modified, or expanded by written agreement of the Parties and approval of the Court provided, however, that after entry of the Approval Order, the Parties may by written agreement effect such amendments, modifications, or expansions of this Settlement Agreement and its implementing documents (including all schedules and exhibits hereto) without

further notice to the Settlement Class or approval by the Court if such changes are consistent with the Approval Order and do not limit the rights of Bosch Settlement Class Members under this Settlement Agreement.

14. TERMINATION OF THIS SETTLEMENT AGREEMENT

14.1 This Settlement Agreement will be terminated if the Settlement Amount is not paid in accordance with sections 4.1 and 4.2.

14.2 This Settlement Agreement may be terminated at the sole discretion of Bosch or the Plaintiffs, in the event that:

(a) the Court, or any appellate court therefrom, rejects, modifies, or denies approval of any portion of this Settlement Agreement, including the Settlement Class Release; or

(b) the Court, or any appellate court therefrom, fails to issue the Final Order in substantially the form submitted or agreed by the Parties.

14.3 If an option to withdraw from and terminate this Settlement Agreement arises, neither Bosch nor the Plaintiffs are required for any reason or under any circumstance to exercise that option, and any exercise of that option shall be in good faith.

14.4 In order to exercise a right of termination under section 14.2 a terminating party shall deliver a notice of termination within fifteen (15) business days of the terminating party learning of the condition for termination being met, or within such further time as the Parties may agree in writing. Upon delivery of such written notice, this Settlement Agreement shall be terminated and, except as provided for in section 14.6(c), shall be

null and void and have no further force or effect, shall not be binding on the Parties, and shall not be used as evidence or otherwise in any litigation.

14.5 Any order, ruling or determination made by the Court with respect to Class Counsel Fees or the Distribution Protocol shall not be deemed to be a material modification of all, or a part of, this Settlement Agreement, and shall not provide any basis for its termination.

14.6 If, but only if, this Settlement Agreement is not approved or is terminated in accordance with this section, or otherwise fails to take effect for any reason:

- a) This Settlement Agreement, including the Settlement Class Release, shall be null and void and shall have no force or effect, and no Party to this Settlement Agreement shall be bound by any of its terms, except for the terms of Sections 4.3, 4.6, 5.3, 7.8, 7.9, 8.5, 8.6, 9.1-9.4, 12.1, 14.6-14.9, 15.3, and 16.1, and the definitions and any exhibits and schedules applicable thereto
- b) All of the provisions of this Settlement Agreement, and all negotiations, statements, and proceedings relating to it, shall be without prejudice to the rights of Bosch, the Plaintiffs or any Bosch Settlement Class Members, all of whom shall be restored to their respective positions existing immediately before the execution of this Settlement Agreement, except that the Parties shall cooperate in requesting that the Court set a new scheduling order such that no substantive or procedural rights in the Action are prejudiced by the settlement negotiations and proceedings.

- 14.7 If this Settlement Agreement is terminated, or otherwise fails to take effect as set out in Section 14.6, Class Counsel or Ricepoint, as the case may be, shall within thirty (30) days of written notice of such fact return to Bosch the Settlement Amount, plus all accrued interest thereon and less any taxes paid on interest, and, if the Settlement Agreement is terminated based on the failure of Bosch to fulfill its obligations herein, less any costs actually incurred or payable in accordance with Section 10.2 (notice costs) or Section 16.7 (translation costs, if any required).
- 14.8 The Released Parties expressly and affirmatively reserve all defences, arguments, and motions as to all claims that have been or might later be asserted in the Action, including, without limitation, the argument that Bosch Settlement Class Members have been fully compensated as a result of the 2L Settlement or the 3L Settlement.
- 14.9 Neither this Settlement Agreement, the fact of its having been entered into, nor the negotiations leading to it shall be admissible or entered into evidence for any purpose whatsoever other than to enforce the terms of this Settlement Agreement or any provision of it. Accordingly, any Bosch Released Party may file this Settlement Agreement and/or the Final Approval Order in any action that may be brought against it in order to support any defense or counterclaim, including without limitation those based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

15. TERMINATION OF CLASS ACTION AND JURISDICTION OF THE COURT

15.1 Upon issuance of the Approval Order, the Action shall be dismissed with no additional costs to any party, and as soon as possible thereafter, the Nyden Action shall be dismissed, also without additional costs to any party.

15.2 Class Counsel will cooperate with Bosch's efforts to give effect to this Settlement Agreement and to bring an end to, without costs, without reservation, and, where available, with prejudice, all Released Claims by any Bosch Settlement Class Member in any pending litigation and in any future litigation other than the Quebec Bosch Action.

15.3 **Courts' Ongoing and Exclusive Jurisdiction.** The Court shall retain ongoing and exclusive jurisdiction over the Action in order to resolve any dispute or other matters that may arise in the implementation of this Settlement Agreement (including with respect to Counsel Fees) or the Approval Order. For clarity, the Court shall retain jurisdiction to resolve any dispute that may arise in relation to the validity, performance, interpretation, administration, enforcement, enforceability, or termination of this Settlement Agreement and no Party shall oppose the reopening and reinstatement of the Action for the purposes of giving effect to this Section.

15.4 If one Party to this Settlement Agreement considers another Party to be in material breach of its obligations under this Settlement Agreement, that Party must provide the breaching Party with written notice of the alleged material breach and provide a reasonable opportunity to cure such breach before taking any action to enforce any rights under this Settlement Agreement.

15.5 In the event any one or more of the provisions contained in this Settlement Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision if the Parties agree in writing to proceed as if such invalid, illegal, or unenforceable provision had never been included in this Settlement Agreement. Any such agreement shall be reviewed and approved by the Court before it becomes effective.

16. OTHER TERMS AND CONDITIONS

16.1 This Settlement Agreement shall be binding upon, and enure to the benefit of Bosch, the Bosch Released Parties, the Plaintiffs and all Bosch Settlement Class Members, and their respective agents, heirs, executors, administrators, successors, transferees, and assigns.

16.2 The matters addressed in this Settlement Agreement relate solely to proceedings in Canada and shall not be construed as any admission in these or other proceedings including with respect to Bosch's alleged conduct outside Canada. Moreover, the parties recognize that the matters do not relate to the enforcement of the laws of countries other than Canada, including the emission laws or regulations of those countries. Nothing in this Settlement Agreement is intended to apply to or affect Bosch's obligations under the laws or regulations of any jurisdiction outside Canada.

16.3 Class Counsel represent that (a) Class Counsel are authorized by the Plaintiffs to enter into this Settlement Agreement; and (b) Class Counsel are seeking to protect the interests of the Bosch Settlement Class.

- 16.4 The waiver by one Party of any breach of this Settlement Agreement by another Party shall not be deemed a waiver of any prior or subsequent breach of this Settlement Agreement.
- 16.5 All time periods in this Settlement Agreement shall be computed in calendar days unless expressly provided otherwise. Also, unless otherwise provided in this Settlement Agreement, in computing any period of time in this Settlement Agreement or by order of a Court, the day of the act or event shall not be included, and the last day of the period shall be included, unless it is a Saturday, a Sunday, or a Canadian statutory holiday, or, when the act to be done is a court filing, a day on which the court is closed, in which case the period shall run until the end of the next day that is not one of the aforementioned days.
- 16.6 This Settlement Agreement sets forth the entire agreement among the Parties with respect to its subject matter. Any agreement purporting to change or modify the terms of this Settlement Agreement must be executed by Bosch and by Class Counsel (on behalf of the Plaintiffs). The Parties expressly acknowledge that no other agreements, arrangements, or understandings not expressed in this Settlement Agreement exist among or between them, and that in deciding to enter into this Settlement Agreement, they have relied solely upon their own judgment and knowledge. This Settlement Agreement supersedes any prior agreements, understandings, or undertakings (written or oral) by and between the Parties regarding the subject matter of this Settlement Agreement.

16.7 The Parties acknowledge that they have required and consented that this Settlement Agreement and all related documents be prepared in English; les parties reconnaissent avoir exigé que la présente convention et tous les documents connexes soient rédigés en anglais. To the extent that the Court requires a French translation of this Settlement Agreement, Class Counsel shall make arrangements for the preparation of the French translation, which will be subject to approval from Bosch before it is made publicly available, and the costs of such translation will be paid from the Settlement Amount. The Parties agree that such translation is for convenience only. In the event of any dispute as to the interpretation of this Settlement Agreement, the English language version shall govern.

16.8 Whenever this Settlement Agreement requires or contemplates that one of the Parties shall or may give notice to the other, notice shall be provided by e-mail and/or next-day (excluding Saturdays, Sundays, and Canadian statutory holidays) express delivery service as follows:
